

## ACKNOWLEDGMENTS

*Speed School District 802 gratefully acknowledges the contributions of our administration, staff, parents, consultants and school community who contributed their time, expertise and effort to the Literacy Curriculum. This project incorporated the efforts, sincere dedication, commitment, research and perseverance of the Executive Director, the Administrative Team, the Leadership Team, the Curriculum Focus Group, the Curriculum Writing Teams, (Pre-K through 12<sup>th</sup> Grade), the Textbook and Resource Adoption Teams, as well as, the Technology and Secretarial staff.*

*Their work represents a monumental effort in team work, shared leadership, collaboration and thoughtful, sensitive, cooperation. In addition, we sincerely thank our consultants, reviewers and the South Cook Region 7 Educational Service Center for their leadership, guidance and support.*

*When a student is taught the joy of learning it becomes a life long process that never stops, a process that creates a logical individual. That is the challenge and the joy of teaching...*
