

**4. How do you plan to assess student achievement of the learning outcomes? What procedures will you use? (Attach evidence of tests, performance tasks, and/or data collection forms you will be using.)**

**5. How do you plan to use the results of the assessments? How and when will you know whether students have mastered the learner outcomes?**

**6. Is there anything that you would like me to specifically observe during the lesson?**

**7. Is there any additional information that you would like to share?**
