- **Hospital Plan**

This plan pays you and your family cash benefits for hospital confinement; initial hospitalization benefit, including ER visits, routine doctor visits, surgical, rehabilitation benefits and more! ****Maternity benefits available****

- **Benefits for illness as a result of COVID-19**

Aflac has four plans which have the potential to provide benefits for employees who become ill and miss work as a result of a positive diagnosis for COVID-19. Short-Term Disability, Hospital confinement, Critical Illness ICU stays, and the Aflac Plus Rider on the Cancer coverage provides benefits if the employee is hospitalized and/or in intensive care as a direct result of COVID-19.

- **Dental and Vision Plans**

Robust, non-network plans that pay cash reimbursements for dental and vision care.

Please visit our dedicated company microsite for more information or to schedule a time to meet with a benefit counselor:
