

Students Enrolling in Google Classroom

Logging into Google Classroom

1. Open a web browser and go to <https://classroom.google.com>
2. The students all have Google Accounts already created for them. They follow the format firstname.lastname@speed802.org. For example, if I had son named Michael Jordan, his google account would be michael.jordan@speed802.org. The password for each student is the student's date of birth in 8 digit format. If my son Michael Jordan's birthday is August 5, 2006 his password would be 08052006.
3. In the "Email or phone" field enter the student's Google Account information – ie. michael.jordan@speed802.org and click "Next"
4. Enter the password which is the 8 digit date of birth – ie 08052006

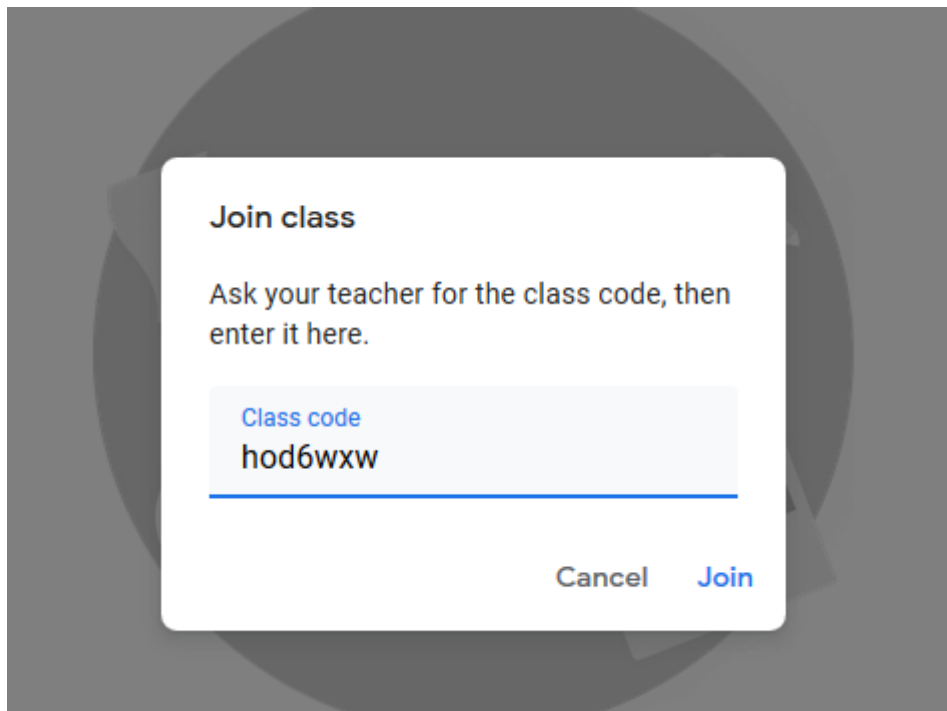

Joining a Google Classroom

1. Once you have logged in for the first to Google Classroom you will find yourself on this screen:

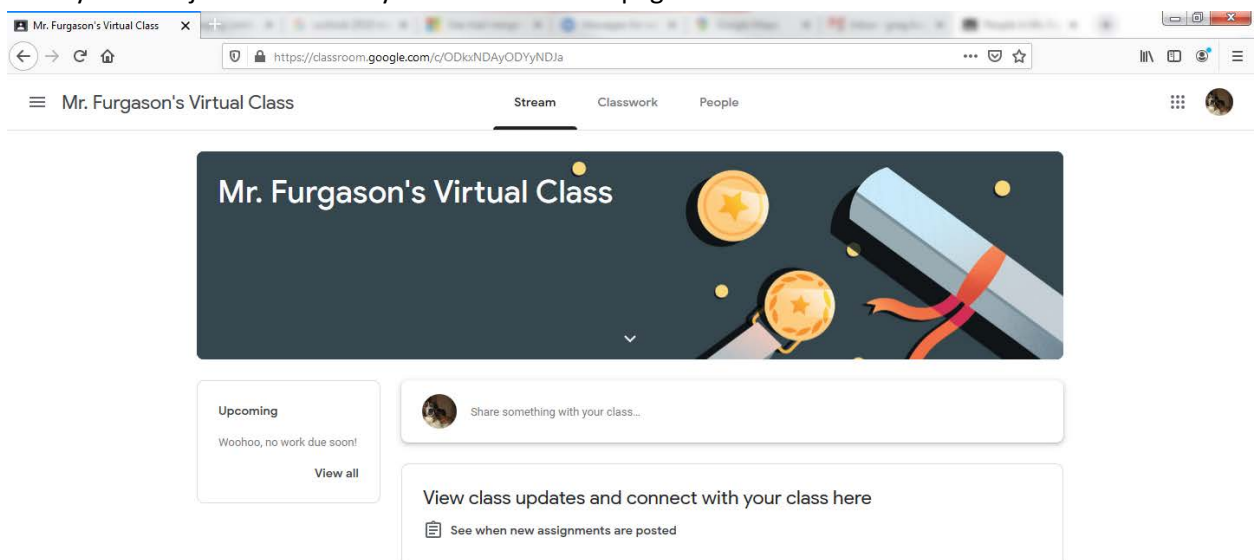

2. Click the "+" icon in the top right corner of the screen and select "Join class"

3. Enter the class code that the teacher provided and click "Join". For example:

4. After you have joined the class you will be taken to page similar to this:

5. The teachers will post assignments and information here.
