Our Web based Program

(Click on titles below to view hyperlinks)

GoGuardian

Go Guardian is a web based program, which allows teachers and administrators to monitor student activity while on the Chromebooks. The program gives instructors the tools they need to keep students engaged in teacher driven instruction. It monitors, filters, and interacts with students in real time.

Discovery
A small globe icon is positioned between the words 'Discovery' and 'EDUCATION'.
EDUCATION

This digital textbook is a standards-aligned, one-stop shop, providing the perfect mixture of resources that teachers need to bring science to life. From STEM project starters, interactive tools, and hands-on labs, to model lessons and real-time student data, Science Tech book transforms classrooms into rich ecosystems that open students' minds and inspire them to learn.

Study Island[®]

Study Island is a leading academic software provider of standards-based assessment, instruction, and test preparation, e-learning programs.

fueleducation[®]
