Dear SPEED Parents and Guardians,

I hope that everyone is doing well and staying safe and healthy during our national COVID 19 pandemic. I speak on behalf of all of our SPEED team which includes the Teachers and Staff, Food Service, Technology, Secretaries, and Administrators, "We truly MISS our students!"

I am hoping that many of you have been in contact with your child's teacher and related service provider through the google phone numbers provided to you in the instructional packets sent out to each student and/or that you have contacted the teacher through their email address. Additionally, I hope that your child have been engaging in some of the activities provided by our staff. Our team will be in contact with you in the coming week to provide information regarding additional resources and activities for your child. Please continue to check our website for the latest updates.
