

ZOOM for Parents

Zoom is an app that will allow teachers and related service staff to communicate with you and your child via video conferencing. This can be a 1:1 session or even a group session. We want to give you the directions to download and use this application on a variety of devices. If your device is not listed below, please contact your teacher and we will work on getting directions to you as soon as possible.

ZOOM for Apple and Google/Android Handheld Devices

Get Apple help [HERE](#)

Get Android/Google help [HERE](#)

GET THE APP AND SIGN UP

1. Go to the App Store and download the free ZOOM App. Please see below for links to each different type of device.

Apple App Store [LINK](#)

Google Play Store [LINK](#) for Google and Android Devices

2. Create a free account by clicking SIGN UP and follow the directions for adding your email address, first and last name, and agreeing to the terms of service.
3. A confirmation email will be sent to the email you used. Please be sure to verify your email address by clicking the link in the email marked ACTIVATE ACCOUNT.
4. You are now signed up for ZOOM.

JOINING A ZOOM MEETING

1. In order to join a meeting if a teacher or related staff member has sent you a *Personal Meeting ID* (PMI), you will need to open the app and sign in if you are not already signed in.
2. Then, you will enter the PMI that was emailed or texted to you.
3. Make sure you allow access to the microphone by clicking OK and to join audio.

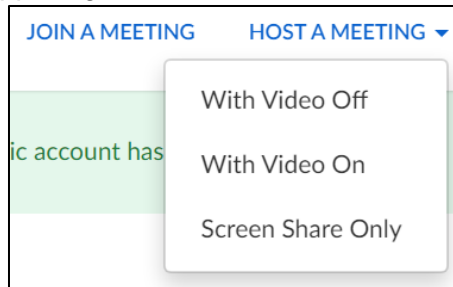

ZOOM for PC, Laptop, or MAC

Specific MAC help [HERE](#)

GET THE SOFTWARE AND SIGN IN

1. Sign up for a basic ZOOM account [HERE](#)
2. To download software, go to www.zoom.us and follow the directions for logging in (using the credentials you created when you signed up for your basic account in STEP 1).
3. Go to HOST A MEETING in the upper right hand corner.

4. The ZOOM download will begin and open automatically. If it does not start automatically, press the DOWNLOAD HERE link.
5. Once downloaded, it should open automatically. If it does not, double click on the downloaded file on the bottom of the page (or the ZOOM file in your downloads folder).
6. You will need to allow for your camera and microphone to be used.

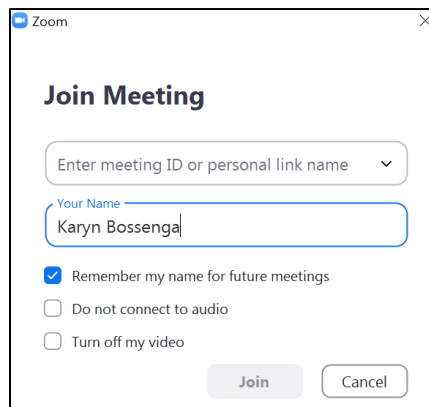

JOINING A ZOOM MEETING

1. Search for the ZOOM app in your search bar

The icon will look like this

2. Open up the ZOOM app
3. To join a meeting, press JOIN MEETING and enter your meeting ID or link name (would have been sent to you by the teacher or related service member)
 - Be sure to change your name to reflect your full name and that you are connected to audio and video by leaving those boxes **UNCHECKED**.

ZOOM for Chromebook

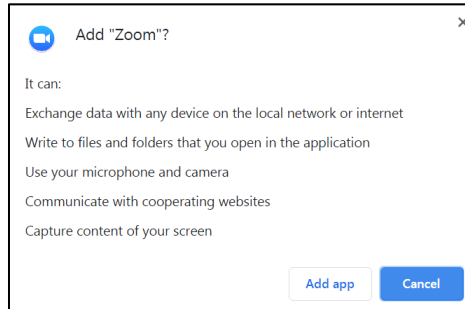

Help located [HERE](#)

GET THE APP AND SIGN IN

1. Go to the Chrome Web Store and add the app to Chrome by pressing the ADD TO CHROME link. It looks like this and you can link to it [HERE](#).

2. You will need to click ADD THE APP when the pop up appears.

3. Follow the directions for creating an account by adding your first and last names, email address, and accepting the terms.
5. A confirmation email may be sent to the email you used. Please be sure to verify your email address by clicking the link in the email marked **ACTIVATE ACCOUNT**.
6. You are now signed up for ZOOM.
